Paper:

Distance Approximating Trees: Complexity and Algorithms, Feodor  
F. Dragan and Chenyu Yan

-----

Dear Feodor and Chenyu,

There will be a Special Issue in the Journal of Discrete Algorithms  
dedicated to the CIAC'06 best papers. We are very happy to invite you  
to submit the full version of your CIAC paper for publication in this  
special issue.

The deadline for submission is September 30, 2006. Note that the papers  
will go through a complete round of refereeing to ensure that they  
meet the JDA quality standards.

Please let us know by June 30 whether you accept this invitation.  
(If we don't hear from you we will assume you will not).

With best regards,

- Rossella Petreschi  
- Pino Italiano  
Editors of the CIAC'06 Special Issue
