Due in class on Wednesday 5 May 1999

**This assignment is optional — if it improves your grade,
I will count it. Otherwise, I will not count it.**

1. (Exercise 6.16 from *Distributed Operating Systems*) An informal argument is sufficient; you need not give a detailed proof.

2. (Exercise 9.26 from *Distributed Operating Systems*)

3. (Exercise 7.13 from *Distributed Operating Systems*)

4. (Exercise 9.4 from *Distributed Operating Systems*)

5. (Exercise 9.6 from *Distributed Operating Systems*)
