Grading: 25 points for social & ethical content

1. Why did Samuel Warren and Louis Brandeis argue that we have a right to privacy?
2. How were US Census records used for other than their original purpose during World War I and II?
3. In what ways has US governmental authority for wiretapping grown over time?
4. The Internet Worm, written by Robert Tappan Morris, caused a major disruption of the Internet and infected thousands of computers. Why was it so much more damaging than previous worms?
5. What is the difference, if any, between someone who launches a distributed denial-of-service attack on a university, a retailer such as Best Buy, and a hospital such as Cleveland Clinic?

Submit your answers to me to me electronically as follows. You are welcome to (1) simply type your answers as the body of the email, or to (2) type your answers into a word processor such as Microsoft Word, Open Office, or Google Docs. In the latter case, save the file in .DOC, .DOCX, or .PDF format, and use **your last name** and “**Homework6**” as the file name. In either case, send your email to walker@cs.kent.edu or rawalke1@kent.edu with “**Homework 6**” as the subject of the email. As always, I will reply to your email to confirm the receipt of your assignment.
