Policies Regarding Evaluation of Your Work

In order that work can be graded and returned promptly, late assignments will be downgraded.

Any work that you do for this class is to be your own. Any violation means that the work will not be accepted and further action will be taken. Plagiarism will not be tolerated.

It is up to the student to make up any missed material. Make-ups will only be given in the case of an excused absence or a documented, valid emergency. This includes tests and homework. I encourage you to contact me if an emergency arises.

If you have any problems with the class please talk to me first. If you do not feel comfortable talking to me, or if you are unsatisfied after having talked to me, then you can speak with the Course Coordinator Walter Pechenuk (wpechenu@cs.kent.edu). His office is 272 MSB.

Students with Disabilities

University policy 3342-3-18 requires that students with disabilities be provided reasonable accommodations to ensure their equal access to course content. If you have a documented disability and require accommodations, please contact the instructor at the beginning of the semester to make arrangements for necessary classroom adjustments. Please note, you must first verify your eligibility for these through Student Disability Services (contact 330 672 3391 or visit www.kent.edu/sds for more information on registration procedures).
