Clicker Information for Students

"Clickers", or more technically TurningPoint Response Card XR, may be purchased at the Kent State University Bookstore, surrounding bookstores, or online <u>Turning</u> Technologies store and enter the school code SUQ5 when prompted

Approximate cost: \$45

Inside the box you will find your clicker. It will probably have a plastic cover protecting the face, and a plastic "pull-tab" protecting the battery. To "activate" the device, you will need to pull the plastic tab out of the battery cover on the back.

ResponseWare: a faculty member may provide you the option of use Responseware that utilizes an alternative web-enabled device (i.e., phone, laptop, iPad). Apps may be downloaded free by searching TurningTechnologies for Blackberry & Apple products. You will need to purchase a license online from <u>Turning Technologies store</u> (<u>https://store.turningtechnologies.com</u> enter the school code <u>SUQ5</u> when prompted) and enter code in the "Turning Point KeyPadEntry" link following directions below.

"Clicker" Registration

Register your clicker by logging into Flashline at: http://flashline.kent.edu

- Enter your username (first part of your KSU email) and password
